The RoughSets R Package (free webinar)

Ray DiGiacomo, President of The Orange County R User Group (OC-RUG) in Southern California, contacted us to spread the word about the free webinar they will host on the new "RoughSets" (http://cran.r-project.org/web/packages/RoughSets/index.html) package.

RoughSets package

This free webinar will provide an introduction to the "RoughSets" (http://cran.r-project.org/web/packages/RoughSets/index.html) package, which provides comprehensive implementations of rough set theory (RST) and fuzzy rough set theory (FRST).

Webinar Format:

- Introduction to the RoughSets R package
- Live demonstration
- Question and Answer period

Webinar Date/Time: June 24, 2014 at 10 am California time

Speaker: Lala Septem Riza, RoughSets package co-author
